### Admission Brief

#### International Diploma Course in Guidance and Counselling (2012)

*The increasing complexities and stresses of modern day living, everyday reports of lack of interest in studies, low achievement, truancy, aggression, behavioural problems, suicide, drug abuse and the like call for provision of guidance and counselling for children and youth in schools. Teachers and other school personnel need to equip themselves with helping skills to promote students' personal, social, educational, career development and adjustment throughout the school years. This, however, requires professional orientation and training.*

In this context, NCERT is offering an International Diploma Course in Guidance and Counselling. The course of one-year duration with a unique blend of distance/online and face-to-face modes is open to candidates from India, other SAARC and Afro-Asian countries. Candidates from different regions of India will be admitted on regional basis at DEPFEE, NIE, New Delhi and Regional Institutes of Education. Applications are invited for admission to the course in the prescribed format from the eligible candidates.
