## About NERIE

The North East Regional Institute of Education (NERIE), a constituent unit of NCERT, New Delhi, caters to the educational needs of eight North Eastern States, viz., Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim and Tripura. NERIE's mandate is to provide academic and technical support and to assist and advise the Governments of the above mentioned states on policies and programmes in all aspects of School and Teacher Education. The long term goal of NERIE is to facilitate development of human resource in the NE region so that the states are able to provide quality inputs in all aspects of school and teacher education.

## About the Conference

'Transforming our world: the 2030 Agenda for Sustainable Development' was adopted at the UN Sustainable Development Summit September 25-27, 2015 in New York, USA. The agenda contains 17 goals with 169 targets covering a broad range of sustainable development issues. The agenda of these goals is to plan the course of action for the peoples, the planet and prosperity. All countries and all stakeholders, acting in collaborative partnership, will implement this plan. The Goals will stimulate action over the next fifteen years in areas of critical importance for humanity and the planet. Education acts as a key driver for this change.

Education for Sustainable Development goes beyond formal education and includes Action Research, learning from Experiences, Hands on learning, Non-formal education, Communication, Mass Media & ICT, Personal Experiences, Knowledge Networks & Partnerships, Indigenous Knowledge, Livelihoods, Vocational Training and Best Practices among others. The Sustainable Development Goals (SDGs) aim to go the last mile towards ending hunger, achieving full gender equality, improving health services and getting every child into school and shifting the world onto a sustainable path.

This conference endeavours to be a consciousness raising exercise for all stakeholders to appreciate the critical role that education in all its focus plays in achieving the SDGs 2030 for a better planet and a better future for all.

## Objectives

- To discuss the role of education as a catalyst in achieving SDG-2030.
